

ON STREET PARKING POLICY

It is the obligation of all owners and occupants of property within the Association to ensure that no mailboxes, paper boxes, signs, vehicles, or similar structures obstruct the rights of ways. Any such structures or vehicles within a right of way exist there at the risk of the owner. Neither the Association nor the Road Crew is responsible for damage caused by snow removal and/or road maintenance operation.

No vehicle shall park so as to interfere with or hinder the removal of snow, access by emergency vehicles, and road maintenance from any street, way, or Community area. Vehicles so parked on any street, way, or community area may be removed from the street or community area at the expense of the vehicle owner.

During the Winter Months (November 1st to March 31st) No vehicle shall be parked on any street in Cranmore Shores Association Any vehicle so parked may be removed or caused to be moved from the Association property at the expense of the vehicle owner. Town, Utility and Emergency vehicles within the scope of their duty are exempted.
